

Maths

Place value will be the main maths focus this term in order to secure your child's understanding of number. Furthermore, we will be looking at the use of addition, subtraction, multiplication and division to solve a wide variety of practical problems. Mental maths skills will be developed with daily practise and homework will be set on 'Mymaths' every week.

Welcome to Class 4! I hope you have had a lovely holiday and that your child is looking forward to the exciting things that will be going on throughout the year at Wolviston Primary. Please don't hesitate to contact us if you have any queries.

Topics

Flee your fields, close your doors and pull up the drawbridge: the dreaded and deathly 'Great Pestilence' is here! During the first half term we will be reading and writing historical accounts of the deadly world of 14th century Britain.

After half term we will take a look back at WWII as sirens sound, buildings crumble and Spitfires zoom over head. Take cover!

PE

P.E. is on Thursday afternoons and Friday mornings. Please ensure your child has their kit for these days.

Music

Samba drumming lessons will be delivered by staff from Tees Valley music service this term.. These sessions will run on Friday afternoons.

English

This term your child will have the opportunity to write an autobiography; show off their skills as journalists and even have a go at being a war poet. The children will also have the opportunity to write a character description of a 14th century knight. Please continue to encourage your child to read daily at home as well as practising their spellings weekly in preparation for a test every Monday. Literacy homework will rotate between a comprehension activity one week and a SPAG activity the following week.

Science

Our first topic will be 'Living things and their habitats' where we will be looking at classifying animals as large as elephants and as small as bacteria! Secondly we will be learning all about the human body in 'Animals including humans'.
