26th June 2020

Dear Parent/carer,

Another week completed in these strange school times. We are finalising arrangements for face-to-face appointments for the children who haven't been in school and we will send these out next week. Your child will be able to pick up their report and have a chat with their teacher and we have got every child a little memento of this unique year. We will provide all children with a Summer learning pack but it is voluntary; however it may be useful to fill in any gaps in learning. Nursery children will be able to have their individual Nursery 'graduation' photo. We will also have all left items of clothing etc. available for collection. I am sorry that we haven't been able to welcome every child back but we are planning to fully open in September unless we are advised not to. I have attached a 'social story' which may help the younger children understand the situation a bit better.

I am also writing to inform you that I have a new position as Trust Director of SEND at the Nicholas Postgate Catholic Academy Trust in Middlesbrough but I will not be taking up my new role until 1st January 2021. I want to ensure a smooth transition in Wolviston after these difficult times and hopefully have everything back to 'normal'. It wasn't an easy decision as I hope you all know how special Wolviston Primary School is to me; but this is a brand new post and a role that really interests me. I will be very sad when the time comes to say goodbye but I will have been here for eight years and I believe I am ready for a new challenge. Interviews for the new Head teacher will take place in the Autumn term and I will be able to fully handover to the successful candidate. Until next year it is very much 'business as usual' and please rest assured I will continue to work hard to provide the best support for our children and for you.

Thank you for your continuing support and I hope you have a lovely weekend.

Take care and keep safe.

Mrs K Haycock (Head teacher)
