

November Newsletter 2020

Dear Parent/carer,

Thank you so much for your generosity over the last few weeks. With your kind help we have raised money for the Poppy Appeal, Children in Need, brought in food for the local foodbank and also, through the sponsored read, managed to buy lots of new books for school which is fantastic! This time of year can be difficult for some families, and this year more than ever, if any of you need support please contact me and I will try to get you any help you need. We have signed up for the CAUSE hamper appeal again this year; we are just waiting for allocation. Any donations for this would be most welcome and a letter will be sent out when we know more details.

The children are all working really hard in school as well as those who are having to self-isolate at home. We will be sending home updated progress reports at the end of term. If you have any questions please contact the school via our new email enquiries@wolviston.org.uk and we will direct it to the right person. Also I monitor this email over the weekend so if your child tests positive out of school hours please let us know via email and then I can alert public health asap.

We have introduced masks for all adults (not just visitors) in communal areas within school and are doing even more cleaning to try to further reduce the risk of infection. As I have said previously you can help to keep the school open by adhering to guidelines outside of school too.

Many thanks for your continuing support, please do take care and keep safe.

Remembrance

It has been so wonderful to see Wolviston Village and the school come together to celebrate Remembrance Day. Thank you to all the people in the village who put 'Wolviston Remembers' poppies in their windows and to the Post Office for their lovely display. A special mention to Mrs Gunston who organised it. Thank you to you all for your donations to the Poppy Appeal.

Children in Need

Wow! We raised £204 for Children in Need—thank you so much!

P.D. day 18th December.

Last day of term for children is **Thursday 17th December.**

Happy Birthday!

Christmas 2020

Christmas is most definitely not cancelled at Wolviston! It may be different but we are still hoping to make it one to remember for all the children.

- Christmas lunch is planned for Wednesday 9th December.
- We are taking part in TVMS Snappy Christmas, which is a virtual event, on 10th December.
- Whilst we can't do a traditional Christmas performance we are hoping to perform some songs in our bubbles which we are aiming to film and send home for you all.
- We are hoping we can have social distanced parties—one bubble at a time.
- Christmas jumper day with a Christmas movie and hot chocolate.

And of course we will still be doing lots of Christmas crafts. We might have to change the ways we do things but it will still be a special time of year. If you know of anyone who is on their own and you think would like a Christmas card sent from the children please let us know the details and we will send them a little bit of Wolviston Primary festive spirit.
