

# October Newsletter 2020

Dear Parent/carer,

You will all be receiving a brief report today , followed by a phone call over the next two weeks. The staff are working hard to narrow any gaps and when they speak to you they will explain what is happening in school and what you can do to help. These are unprecedented times so please try not to worry if your child isn't at expected levels this half term; we will do our utmost to ensure your child is 'catching up' as well as making sure they are happy and safe. We are looking at ways of fundraising as we have missed out on Summer and (presumably) Christmas fairs which generate a lot of extra revenue for the school. Please see below fundraising activities taking place in October, but please don't feel under pressure to contribute as I know that every family's circumstances are different . As they say though, every little helps! As mentioned previously we have systems in place in the event of individual children self isolating and whole 'bubbles' having to learn remotely. On the school website is the Remote Learning policy for your information which gives more details of what will happen and expectations. As always I am here to support so please just get in touch if you have any questions or worries.

Take care and stay safe.

### Sponsored Read

We have rearranged the sponsored read from March. One of our parents has organised it through Osbourne books. All monies raised will help to buy books for the library and classrooms. I know times are very difficult for many families so there is no pressure but any donations will greatly appreciated.

### Pumpkin Hunt

Another parent has kindly offered to organise a Village Pumpkin Hunt—more details to follow.

### Home/School contact books.

Please remember to check these every day for any messages from your child's teacher. Also please use these to ask your class teacher any questions and we will always endeavour to answer them asap.

### Recycled Art Competition

Thank you to the children who took part in our Art competition.

Well done to all our entrants.

The winners are:

Winners:

Nursery—Alfie

Reception—Aria

Year 1: Rose

Year 2: Edward

Year 3: Monty

Year 4: Phoebe

Class 4: James

### P.E. Kits

Thank you for your support with sending your child in an outdoor P.E. kit. Just a gentle reminder is that it is a **navy blue top and navy blue joggers** with outdoor shoes. You can purchase one through motif8 or buy one without the logo on from most major shops including Asda .

### School Photographs

We are hoping to have school photographs on **Thursday 22nd October a.m.** Unfortunately this year due to Covid restrictions we are unable to have siblings join their brothers and sisters.

We are designing mugs with your child's artwork for you to purchase and the packs will be sent home next week with all the relevant details.

Happy Birthday!
