January 10th 2021

Dear Parents/Carers,

As I informed many of you on Friday we are awaiting a Covid test result for one of our KS2 children, unfortunately we haven't received the result as yet. Therefore, for now KS2 is open as normal tomorrow.

For those of you that aren't aware Mrs Hawes the New Head teacher is still poorly with Covid but we are hoping to see her return as soon as she feels better. Another member of our staff in KS2 has tested positive on Tuesday evening but I am pleased to say that no children have been affected.

I am very aware that many of you are critical and key workers and are already only sending your children if and when absolutely necessary. We did receive further guidance on Friday that is asking that **any critical workers who can, to also try to keep their children at home if at all possible**. I know that this cannot always be possible and very much depends on individual circumstances. I really do appreciate how supportive you have all been in helping us keep numbers down in school by organising the days you need around your shifts etc.

As a school we will endeavour to support you as working parents as much as we can and will continue to take decisions based on staff and pupil safety, ongoing risk assessment and staffing numbers.

As soon as I am made aware of the test result in KS2 I will let parents know if their child needs to isolate.

In light of this information please can you inform the office tomorrow of the days that you need or if you are able to keep your child at home.

Kindest regards, stay safe.
Mrs J A Armstrong (CEO)
Mrs J Whitehill
