

Nursery Newsletter

Welcome everyone! It is wonderful to see so many happy enthusiastic new and old faces coming into school. We are very much looking forward to getting to know our new children and families. If you have any questions or concerns about anything please don't hesitate to come in and speak to us, we are very much here to help.

By now, you will all have received a login for your child's Seesaw account. This is our primary means of sharing your child's learning between home and school. We welcome your comments on what your child has been doing in Nursery and also your own photos and observations from home.
