

Dear Parents and Carers,

Welcome back to Summer Term everyone! I hope everyone has had a relaxing Easter break with family and friends.

It's so lovely to see (most of) the children back in school, after so many were poorly at the end of last term. Thank you to all parents who kindly notified us of their child's absence. In the next couple of weeks, we are hoping to set up an answer phone facility, which will allow all parents and carers to leave a message out of hours.

We have another busy term ahead; further details of planned events will be shared with you via SeeSaw and class letters, this includes a whole school (YR-Y6) day trip.

Thank you for your continuous support,
Mrs Hawes.

YEAR SIX SAT'S

Statutory Assessment Tests (SATs) take place for all Year 6 children across the country in a couple of weeks. Our Year 6 children have worked so hard, and we are very proud of you all, now is your time to shine. Please remember, that this is just one week in your learning journey so far. Day-in-day-out, we see the complete, brilliant, and individually talented young people they really are.

This poem sums up SAT's for me, good luck you lovely lot!

*SATs don't measure sports, SATs don't measure art,
SATs don't measure music, or the kindness of your heart.
SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons, you were put upon this Earth.*

*SATs don't see your magic, how you make others smile,
SATs don't time how quickly, you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse, of who you really are.*

*So, sitting at your table, with a pencil and your test,
Remember SATs aren't who you are,
Remember YOU'RE THE BEST*

Mr Wilcox, Mrs Cotton, and Mrs Robson have supported the children so well to develop knowledge, understanding and confidence ahead of SATS. The children are ready to take on the challenge of the assessments. I'd like to publicly thank them for all their hard work & commitment.

SAFETY REMINDER

Please remain vigilant whilst we have a skip on site.

EASTER CRAFTS

Our good friend Sam, who works for TESCO, kindly brought some additional resources to our Easter Arts and Crafts day. The children enjoyed making Easter biscuits with Sam who worked with some of our younger children in school.

Well done to all those children who took part in our Easter Hunt around the Village. Winners will be announced soon.

FRIENDS OF WOLVISTON

We have had a great response to set this group up. If anyone is prepared to take on the role of Chair, please let me know ASAP

POSITIVE MENTAL HEALTH AND WELL BEING

This term Bryony, from Alliance Psychology Services, will be continuing to support children, and staff, across school to talk about positive mental health and ways in which we can all keep mentally healthy. Our school council members have suggested this term well-being focus which Bryony will deliver.
