

## Admission Policy for September 2024 for Wolviston Primary School

All governing bodies are required by Section 37 of the Children and Families Act 2014 to admit to the school a child with an Education, Health and Care (EHC) Plan that names the school.

**This is not an oversubscription criterion.** This relates only to children who have undergone statutory assessment and for whom a final EHC Plan has been issued.

Where there are more applications for a school than there are places available, places will be allocated in order using the oversubscription criteria below:

Pupils who live closest to a particular school measured in a straight line “as the crow flies”.</p>	<p>The LA uses a Geographic Information System, known as GIS, to identify and measure the distance from the central point of the home to the central point of the school. The distance is measured electronically from the central point of the school taken from the council maintained Local Land and Property Gazetteer, LLPG, (the same point for all applications) to the central point of the home (including flats) also taken from the LLPG. The GIS undertakes all measures in the same way for every applicant, to ensure consistency and fairness.</p>

N.B. please note for primary schools, attendance at a school nursery does not guarantee a place in the reception class.
