Welcome to Class 3! ♥

We have had a brilliant start to the new school year and the children are settling into Class 3 really well. We have a busy and exciting autumn term ahead, filled with new learning, memorable experiences and plenty of opportunities to explore, discover and be the best we can be!

Our Learning This Term

English

Reading traditional tales, poems on a theme and reports. We will be writing to entertain (an adventure story), to describe (descriptive poetry) and to inform (researching endangered animals). We will also focus on spelling, punctuation and grammar.

Maths

Place value, addition and subtraction (up to 4 digits), and multiplication and division. We will develop our reasoning and problem solving skills, including using inverse operations, identifying factor pairs and working with larger numbers.

Science

Light and Shadow

Exploring light sources, reflection and how shadows are formed, looking for patterns in data. We will also learn about States of Matter and explore solids, liquids and gases and how materials can change state.

History

The Railway Revolution

Exploring the development of Britain's railways and how rail travel changed our local area and people's lives.

Geography

Investigating Our Local Area

Developing our map skills, comparing rural and urban areas and learning about our local area.

Art - Vista

Exploring landscapes, colour and perspective before creating our own landscape artwork.

DT - Making It Move

Investigating cam mechanisms and designing and making our own moving toy.

Computing

Computing Systems and Networks – connecting computers. Creating Media – stop-frame animation.

French

Getting to Know You

Apprendre à vous connaître.

Music

Let Your Spirit Fly

Singing, rhythm, pulse and pitch, followed by developing our instrumental skills.

PE

Invasion Games

Tag rugby and basketball.

RE

What is it like for someone to follow God? (People of God) What is the Trinity and why is it important for Christians? (Incarnation/God)
